PARENT CODE OF CONDUCT

We, as parents, need to remember that we are the most important and influential role models for our children. It is important that they be proud of our behavior now so that we may be proud of their behavior later. With each win or loss we must teach them to accept the outcome with dignity by demonstrating our own. As such, Wichita Wrestling club requires the parents of any child who desires to be a member, to sign the following pledge.

- I will encourage good sportsmanship by demonstrating positive support for wrestlers, coaches and officials.
- I will place the emotional and physical well being of my child ahead of any personal desire to win.
- I will encourage my child to treat other wrestlers, coaches and officials with respect.
- I will understand that the Board reserves the right to take action up to and including suspension or expulsion of my child if his conduct or my own is considered abusive or interferes with the orderly practice of the team or the progress of a match.
- I understand that practices are under the authority of the head coach, as supervised by the Board, and will address any concerns or complaints I may have to a member of the Board for consideration.

I have read, understand and accept the above.
